Private COLLECTION

In the heart of beautiful Cavtat, where art meets history, the Banac Museum preserves incredible treasures. Imagine walking among masterpieces like "Sunflowers" by Vincent van Gogh, which bring the story to life at every turn. You don't just encounter art here; you experience it.

Journey through Time and Art

Located in an oasis of artistic wealth, the Banac Museum is like a door that opens a window into the past and present of Cavtat. Each exhibited exhibit is a story in itself, a witness to the creative genius of great artists. This is where art comes alive and history becomes unforgettable.

Where are we?

The Banac Museum awaits your visit at Trumbićeva Put 25, 20210 Cavtat. Surrounded by the beautiful landscape of Cavtat, our museum attracts artistic souls and curious travelers. There is no better place to immerse yourself in the cultural heritage of the region!

Villa Banac – Hidden Gem

Villa Banac, built in 1928, is not only home to the most precious works of art, but also a colorful story about the region. Stepping through the doors of the villa, you feel as if you are walking on the path of time. Marija Račić Banac welcomes you with her relief sculpture, and history is told with every step. Become part of this story, create your own memories.
